

Church Counseling and Crisis Response

Ministry-Focused EAP

Churches are not immune from behavioral health problems, stress, tragedy or crisis. In fact, they are called upon to deliver healing solutions. Pine Rest Employee Assistance Program (EAP) recognizes the unique stressors upon clergy and other ministry professionals. At Pine Rest you will find supportive services specific to serving you.

Pine Rest EAP provides expert support to leaders of Christian organizations; both for their personal needs and for their provision of healing to the surrounding community.

Our Promise:

- Services delivered from a Christian world-view
- Knowledge of faith and ministry culture
- Transparent interactions in an ethical partnership
- Prioritized focus upon supporting ministry leaders and equipping them to lead well
- Mission-driven consultants who deeply view their involvement as part of God's calling

Those services include:

- A 24/7 Telephone Hotline
- Critical Incident Response Services
- Management Consultation
- Educational Seminars and Resources
